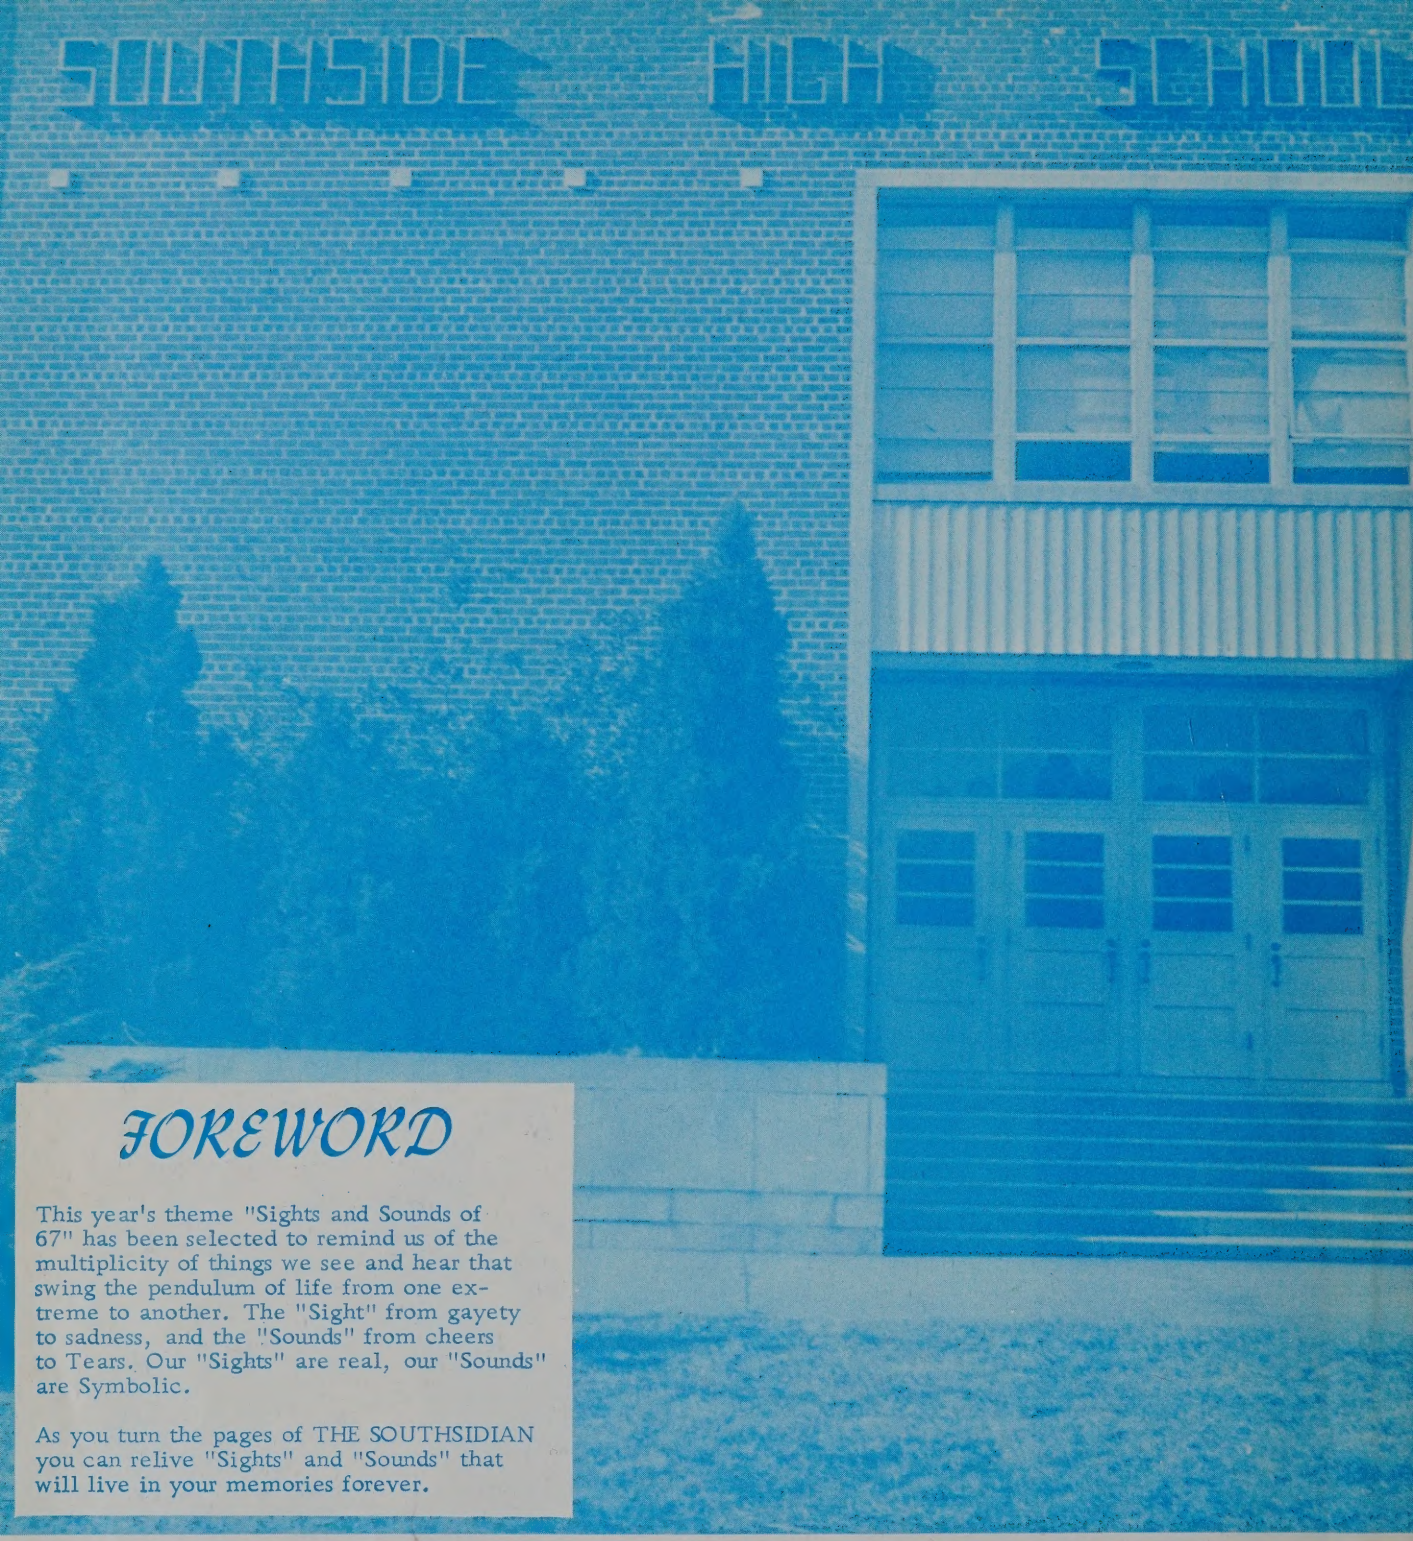
Sights and Sounds

of '67



FOREWORD

This year's theme "Sights and Sounds of 67" has been selected to remind us of the multiplicity of things we see and hear that swing the pendulum of life from one extreme to another. The "Sight" from gayety to sadness, and the "Sounds" from cheers to Tears. Our "Sights" are real, our "Sounds" are Symbolic.

As you turn the pages of THE SOUTHSIDIAN you can relive "Sights" and "Sounds" that will live in your memories forever.

DEDICATION

DEDICATION

Among the "Sights and Sounds" of 1966-1967 has been the sight and sound of Southside's band, under the direction of Mr. Robert N. Harvey.

Southside is proud of her band and equally proud of its director. Although the band was begun before Mr. Harvey came to work with us, it has grown tremendously under his direction and has made progress that cannot be measured in words.

It was a beautiful sight to see the band in the Christmas parade and to hear them at our Homecoming game, giving forth with every bit of their energy.

Yes, we are proud, and to Mr. Harvey, who has worked beyond the call of duty that we might have the band, we dedicate this book.

ADMINISTRATION & FACULTY

A Statement by the Principal

This is my first year as Principal of Southside High School. It is with pleasure that I have the opportunity to make a statement concerning the theme of our yearbook, "Sights and Sounds of 67," which brings back memories of the many experiences I have had as a teacher of Southside High School.

History's appraisal of the past will enable us to judge the future. The "Sights and Sounds" of this yearbook will help us to appraise the present. The familiar faces, somehow, have contributed to the success of our school and community. The familiar places and events bring back past and present memories. The familiar sounds ringing in our ears beckon us to greater achievement. It is my hope that this yearbook will be an inspiration to all who read it.

I thank the yearbook staff members for their initiative, diligence, and untiring efforts in bringing to our attention the "Sights and Sounds of 67." May that magnificence of spirit embodied within the pages of this yearbook be forever with you.

CLASS PROPHECY

From an unknown benefactor the senior class of Southside High School 1966-1967 receives a very odd, but interesting gift. Though the gift is quite irregular, the class is delighted with it. On the first day of June 1967, at two o'clock P.M., the whole senior class is assembled in the Southside High Auditorium to receive their gift. The gift is a prophecy for each member of the class for the year 1967 by the famous prophet, Maharati the Mystic.

Maharati: As I gaze into my crystal ball, I will relate to you what lies in the future for each of you.

Ah! What is this? On main street in Dinwiddie I see a new and modern building, Southside General Hospital, designed by those brilliant architects, Walter Brown and Larry Gilliam and constructed by The Flower Brothers Construction Company. The hospital is equipped with elaborate electrical system, installed by the electrical experts John Roberts, Thomas Coleman, Reginald Street and Donald Roney. Chief of Staff, John Harvell has a fine staff of nurses: Doretha Moody, Ernestine Beloate, Gloria Coleman, Shirley Taylor, and the head nurse Voila Coleman. The receptionists are Ernestine Smith, Shirley Coleman, Camilla Tucker, Beatrice Patterson, Margaret Myrick, and Betty Nelson. Records are kept in order by the hard working secretaries: Mae Grandison, Annie Grandison, Frances Johnson, Sylvia Mason, Jacqueline Jones, and Celestine Jones, under the leadership of the Executive Secretary, Carleen Booker. Jacqueline Walker is in charge of the Nursery Department for crippled children and her assistants are Virginia Winbush and Margaret Wyche.

I see a huge shipping center, Southside Plaza. The sole proprietor of L. R. Green Department Store is Larry Green and his Vice President is Amos Wingfield. The manager of the store is Patricia Walker. The secretaries are Colleen Griffin, Alice Mason and Sandra Ellis. Barbara Tucker and Edna Crawley are seamstresses in their shop.

Gloria Goodwyn, and Deloris Spratley are in charge of the Dinwiddie County Library. Joan Bonner is teaching history at Southside High School, while her husband, Lawrence Walker, teaches carpentry at the John Tyler School of Technology.

Van Jones owns a huge truck farm where his main crop is watermelons. His neighbor, Robert Robinson, has a variety of crops on his farm.

Carol Green, George Faulcon, and David Day control all of Dinwiddie's records through the use of data processing machines.

In Washington, Teresa Ridley is working in the Library of Congress and is married to Romel Tucker, who is under secretary of Health, Education and Welfare in the President's Cabinet.

Phineas Tucker, Larry Bolling and Thomas Harris pilot luxurious space crafts to the moon from Washington. The stewardesses: Gloria Claiborne, Mary Claiborne, Georgeteen Lundy, and Josephine Mitchell keep the passengers comfortable. Benjamin Williams, Raymond Clark and Wilbur Griffin are the space craft mechanists. Morris Arrington, Larry Bland, and Clarence Gholson are in the laboratory working on new designs for future spacecrafts.

In New York City, Leroy Williams and Jerome Gholson of the world renown "Hep Cats" band are backing the famous vocalist Rose Jones at the Copacabana Club. Gladys Bonner and Frances Burrow have their own dress shop on Fifth Avenue where Mamie Jones and Cheryl Dabney work as models. Charles Goodwyn, Melvin Pegram and Larry Mallory are fortunate in that they are all members of the famous New York Yankees baseball team. Melvin Drumboole, Ronald Walker and Woodrow Wilson are playing basketball with the Harlem Globetrotters.

At Cape Kennedy I see Brenda Fitzgerald, Earl Roney and Ronald Lee experimenting with a new type of bomb.

In Viet Nam, Gloria Goings and Glorine Hill are social workers helping the people adjust to modern life.

In Thailand our patriotic young men, Robert Crawley, Randolph Harvell, Joseph Gibbs, Robert Williams, Preston Jones, George Ellis, and James Hawkes are fighting to defend the right of a foreign people.

Now the crystal ball grows dim; therefore, we have to return to the present.

CLASS POEM

Southside High to us, is very fine indeed,
And all have worked so very hard to keep
Her sacred creed.
Our parents dear and teachers all
Have helped with much concern,
With all their kind and helping
Hands our goals were safely earned.
The Class of '67 leaves
Without the dread of fear,
We trust and pray that through the years
We'll gain rewarding careers.
Southside High, we love you,
You have put us to the test
May we ever remember our Motto
"Nothing succeeds like success."

Southside Wins Seventh Contest

LAWRENCEVILLE — Southside came up with four runs in the third inning to down J. S. Russell, 4-3, here last night for the Dinwiddie schools seventh win in eight games.

Roy Lee Craig opened the third with a walk and Larry Short followed with a bunt single that was thrown away to put runners on second and third.

Walter Brown tied the score at 1-1 with a sacrifice fly and later Short scored the go ahead run on an error.

Russell Gholson walked and scored on Charles Goodwyn's triple and Goodwyn came across with the fourth and eventual winning run on an error.

A seventh inning rally by Russell fell short as they scored two runs with two outs, but failed to get the tying run.

This was the first time this season that the Southside team had played under the lights.

Short, who was the winning pitcher, now owns a 5-1 mark. He fanned 11 and walked three, while allowing six hits.

Southside Quint Opens Tomorrow

The Southside Bears of Dinwiddie will open their 1966-67 basketball campaign tomorrow at Southside. Eight players return from last year's squad and all saw action, but they have not jelled as a veteran team should be at this stage of practice.

Carol Green at 6' 3" will start this year and is expected to give the team additional board and rebounding strength. Melvin Drumgoole, last year's captain, has developed strongly as shooter and rebounder and will play forward and guard. Percell Pegram also has come on strongly and will help considerably on the boards.

Russell Grove Downs Southside

Russell Grove got a three touchdown performance from halfback Allen Booker in downing Southside, 39-7, on Russell Grove's field.

Howard Dickerson tallied the first touchdown for the winners in the first quarter on a 94-yard run. Booker got his first touchdown later in the opening period on a 25-yard run and added the extra point on a run to open the lead to 13-0.

Southside came back with a touchdown in the second period on an eight-yard pass from Larry Short to Melvin Drumgoole. Short passed to George Noel for the extra point that cut the lead to 13-7.

However, Kemmitt Wilkinson scored on a 10-yard run and Gerald Gritter raced 20 yards for another touchdown to open up the lead to 26-7 at intermission.

Booker scored in the third period on a 19-yard run and in the fourth period on a 28-yard run to wrap up the scoring.

Russell Grove had 14 first downs and Southside had 10.

Next Saturday afternoon will be the homecoming game for Southside when it hosts West Side.
